SUPPLEMENT

1. Certain members of the Ecuadorian Communist Party (PCE) reportedly issued a protest in September to the Central Committee against Party neglect of the affairs of the Indian Federation. This condition has arisen since Luis A. Alvaro resigned as Secretary General of the Federation (see [REDACTED] 25X1A2g). Although the Central Committee recognized the justification of this protest, it felt no reorganization of the Federation could be made until after the Party congress in November (see [REDACTED] 25X1A2g).
2. It was suggested by several Party members that Alvaro be restored to his former position in the Federation. Dr. Ricardo Paredes, Secretary General of the PCE, vetoed this suggestion. Party leaders feel that the Federation will disintegrate and seriously affect Party affairs if the situation is not remedied shortly.
3. A few of the Indian syndicates affiliated with the Federation have already expressed their intention of withdrawing if the present state of affairs persists.
